- More AI
- RAM futures
- Something else

Invest in Comfort Zone

**“Comfort Zone is my favorite
podcast. I listen every week,
and want to give them
money.”**

- More people than
you can imagine
(with your help)

What we offer

- 3 incredible hosts
- The best Apple coverage you can find
- Over 100 years of combined lived experience
- A passion for AeroSpace
- A passion for Klack
- A passion for apps that remove background noise

We have so much room to grow

Over 8 billion humans have never heard of
Comfort Zone

Growth potential is incredible

We want new
microphones

We want to go on
more vacations

We want to execute a
leveraged takeover
of MacStories

Comfort Zone is worth \$1 billion
